Other generally prohibited forms of advertising include the use of unsolicited commercial email (UCE), postings to non-commercial newsgroups and cross-posting to multiple newsgroups at once. In addition, you may not advertise in any way that effectively conceals or misrepresents your identity, your domain name, or your return email address. You may use mailings to customers to promote PreciseTarget so long as the recipient is already a customer or subscriber of your services or web site, and recipients have the option to remove themselves from future mailings. Also, you may post to newsgroups to promote PreciseTarget so long as the news group specifically welcomes commercial messages. At all times, you must clearly represent yourself and your web sites as independent from PreciseTarget. If it comes to our attention that you are spamming, we will consider that cause for immediate termination of this Agreement and your participation in the PreciseTarget Publisher Program.
